

## **EQUINE PROHIBITED SUBSTANCE AND METHOD STATEMENT**

Wales & Border Harness Racing Ltd has the key responsibility of upholding the integrity of Harness racing and this involves ensuring that our racing is a fair and safe competition.

Doping and the inappropriate use of authorised medicines are a threat to the integrity and reputation of harness racing, it can give competitors an unfair advantage and threatens the welfare of horses and therefore will not be tolerated.

Wales & Border Harness Racing Ltd operates a robust system, with zero-tolerance to doping. In addition, in line with most racing jurisdictions world-wide, harness racing under Wales & Border Harness Racing Ltd.'s rules must do so free from the effects of any prohibited substance.

Guidance can be found in section G in the Wales & Border Harness Racing Ltd rule book.

Documented Prohibited Substances and Methods can be found at <http://rules.britishhorseracing.com/#!/book/34/chapter/s3564-prohibited-list-code/content>
